Allowable Subject Matter

Claims 1-5 are allowed.

The following is an examiner's statement of reasons for allowance:

The prior art of record neither shows nor suggests an image display projector comprising all of the elements of claim 1, in particular the following limitations:

“a projection lens for projecting the image light onto a screen; wherein
a light focusing point, where the light beam emitted from the lens element is
focused is symmetric to one of the two focal points of the elliptical mirror with
respect to the reflecting mirror, and

the center of an entry pupil of the projection lens is symmetric to the second focal
point of the elliptical mirror with respect to the light valve.”

Furthermore, the prior art of record neither shows nor suggests an image display projector comprising all of the elements of claim 2, in particular the following limitations:

“a projection lens for projecting the image light onto a screen; wherein
a light focusing point, where the light beam emitted from the second lens element
is focused is symmetric to one of the two focal points of the elliptical mirror with respect
to the reflecting mirror; and

the center of an entry pupil of the projection lens is symmetric to the second focal
point of the elliptical mirror with respect to the light valve.”

Any comments considered necessary by applicant must be submitted no later
than the payment of the issue fee and, to avoid processing delays, should preferably
